

*The Medical Community
in and around Chisago County*

⇒ Host/participate in community events/festivals

⇒ Encourage staff to volunteer and support local programs

⇒ Provide a mentoring program

⇒ Provide funding support for local prevention programs

⇒ Provides speakers/staff expertise on issues relating to
ATOD use and abuse

⇒ Distribute state-of-the-art educational materials and
curriculums

⇒ Annual Women's Health Conference

⇒ Provide treatment services

⇒ Primary care staff share knowledge and information about
health issues and available prevention, intervention &
treatment services and resources

⇒ Provide internships and residency programs

⇒ Participate in the activities of the coalition

Thanks *medical community* for your great work in
helping to build a drug free Chisago County!
